- Visit our website at [www.talgoamerica.com](http://www.talgoamerica.com)
- Call us at 206-254-7051

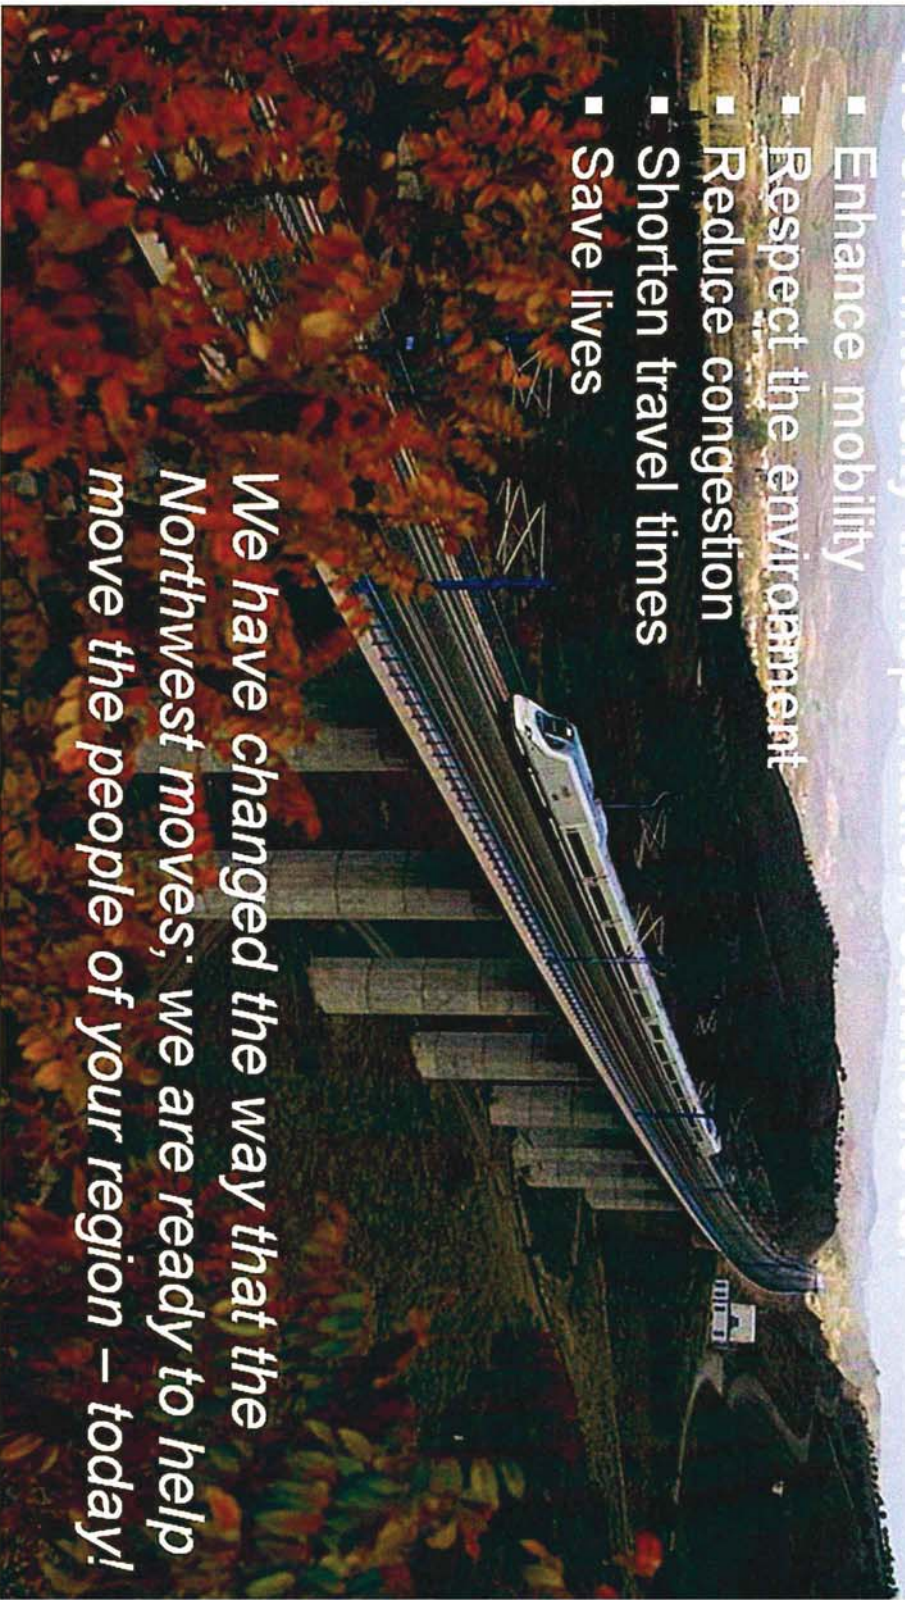

Talgo gives you a speed advantage as compared to conventional equipment – on current conventional track -- are you getting to where you need to go as quickly as you could? If not, you should ride a Talgo!

We offer intercity transportation solutions to:

- Enhance mobility
- Respect the environment
- Reduce congestion
- Shorten travel times
- Save lives

*We have changed the way that the Northwest moves; we are ready to help move the people of your region – today!*

Intercity travel that makes sense and saves you \$\$\$
